Subject: annual meeting of NVTB, Schoorl May 19 and 20

Dear all,

You are kindly invited to join the annual NVTB-retreat (of the Dutch Society for Theoretical Biology ) in Schoorl on Thursday and Friday, May 19 and 20, next year. This meeting brings together researchers working in computational biology, theoretical ecology, mathematical modelling, artificial life, theoretical epidemiology and systems biology to present and discuss their work (in progress) in an informal atmosphere (for abstracts of former meetings, see attachments).

Both days will be filled with scientific lectures. Thursday evening there will be the annual NVTB meeting, and after that other activities, such as, discussions over drinks and hiking in the beautiful dunes. The meeting includes meals and an overnight stay. More information is available at <http://www.bio.vu.nl/nvtb>  
We hope to welcome you in Schoorl.

Best wishes,  
Charlotte Hemelrijk (president)

We apologize if you got this invitation more than once
