

NCSB-NISB Online Course

Basic Introduction to Systems Biology

Module I: Basic biology for non-biologists

introduction to biomolecular and cell biological concepts

using Molecular Biology of the Cell (Alberts et al., Garland Science)

Module II: Basic modelling for biologists

introduction to quantitative modelling

using MATLAB software

Format

fully web-based

interaction with tutor

course fee € 50 (waived for early participants till 2011-06-01)

3 EC per module
