

## AGENDA – 2<sup>e</sup> NISB Plenary Meeting (NISB-PI02-20080424)

---

**Venue:** ROSARIUM, Europaboulevard, Amstelpark 1, 1083HZ Amsterdam

T +31-20-644 4085; W: [www.rosarium.net](http://www.rosarium.net)

**Date /Time:** 2008 April 24 ca 15:00h – 17:00h

---

### INVITEES:

NISB Principal Investigators (47)

Senior scientists, postdocs and PhD-students from the 22 NISB Research Groups

NISB Board members (4)

Special invitees

### AGENDA:

09:30h *registration, coffee*

10:00h **Welcome**

10:10h **NISB: why, what, how and where**

*Roel van Driel*

#### **NISB's core: its five research clusters**

*Short presentations on the RC's expertise, aims, activities, and synergies*

10:45h RC1: Systems analysis

*Joke Blom (CWI)*

11:00h RC2: Vertical genomics and metabolic networks

*Barbara Bakker (VUA)*

11:15h RC3: Synapse function

*Matthijs Verhage (VUA)*

11:30h RC4: Signal transduction networks, gene networks, and force-shape generating systems

*Marileen Dogterom (AMOLF)*

11:45h RC5: Microbial Communities

*Wim Crielaard (UvA)*

12:00h **NISB announcement and activities**

NISB Think Tanks

NISB Workshops

12:30h *lunch*

13:15h **NISB research presentation 1**

*speaker 1*

13:45h **Discussion forum: "Systems Biology: hype, hope or necessity"**

15:00h *coffee/tea*

15:30h **NISB research presentation 2**

*speaker 2*

16:00h **NISB research presentation 3**

*speaker 3*

16:30h *drinks & NISBits*
